

The Town of New Glarus Welcomes

New Building Inspector,

Michael Fenley

Beginning September 8th, 2006 Michael Fenley of Vierbicher Associates will represent the Town of New Glarus as Building Inspector.

Mike is an experienced residential building inspector with certifications in residential building, electrical, plumbing and HVAC, along with commercial plumbing certification. His responsibilities will include working with the public, review and issuance of permits, and inspection of construction and zoning administration.

**Mike will hold regular office hours at the
Town Hall on Thursday afternoons from 3 to 4**
